

Developing Patience

Galatians 5:22-23

I WANT
PATIENCE

What animal do you picture when you think of the word patience?

I. God is patient _____

a. God's patience achieves _____ salvation

- 2 Peter 3:9

b. God's patience _____ and _____
His Word in my heart

- Luke 8:15
- The good soil is within me, filled with the power (duna) and influence of God
- Patience is a gift I can give away

Discussion: We all lose our patience occasionally, what are some situations in which you become frustrated and lose your patience?

II. When to be patient

a. When _____ are unexplained

- James 1:2-3
- Troubles are a test of my faith
- Problems and patience often come in "pairs"

b. When _____ are unchangeable

- 1 Corinthians 15:58

III. Why be patient?

a. Because _____ is in control

- 1 Peter 5:7
- God is concerned about the burdens in my life

b. Because _____ is working things out

- Philippians 1:6
- God will finish what he has started in me (it's not what I started, but what God has started!)

Consider: How patient is a caterpillar in a cocoon?

IV. How to be patient?

a. _____ expectantly

- Psalm 130:5
- Jesus will fulfill his promise and answer my prayer

b. _____ confidently

- Micah 7:7
- I will trust in the Lord and expect his support

Gold Nugget

Nothing can separate _____ from the _____ of God. (Romans 8:35-39)

Application: Learning to wait is a difficult lesson to learn in life. God's timing is perfect; his perspective is bigger than ours. Pray for patience, ask God to help you and ask him for strength. Allow God to work in your heart.

Key Thought: God _____ his Word in my heart

Key Thought: _____ and patience come in "pairs"

Key thought: cast your _____ on Jesus, because he cares for you
