

Yolo Youth Collective

Our 5th grade - High School
Christian Youth Group

**St. Luke's Hosts in November
at 515 2nd Street, Woodland**

November 12th we will be doing a service project and will be raking leaves for those in need near St. Luke's. We do need more rakes and plastic bags if families would like to send their youngsters with some!

We will continue with snacks and games.

Our Lesson will be the one we didn't get to at the end of October, "The difference between Magic and Miracles assisted by Faith"

November 19th we will be making Thanksgiving gingerbread houses and doing a service project of making cards for those in need of love and support during the holiday season. We will also be in the sanctuary listening to music. We will hear songs like those in our music collections or on the radio that have messages of faith and God within them.

Our Lesson will be "What is it that we truly believe?"
